

9th Annual Iowa Model A Day

8 AM to 3 PM on **August 19, 2017** in Amana, Iowa

This annual event is our opportunity to educate the public about a very iconic and historic automobile by displaying our cars and trucks while having some fun sharing this day with other Model A enthusiasts.

Mark your calendar and join us with or without your Model A.

Activities include educational “Tech” sessions, a ladies’ tea party, a Friday tour and of course the Amana hospitality. It’s fun for the whole family.

Note: the Friday tour will start from the parking lot behind the Brau Haus (formerly The Colony Inn).

Over 80 Model A Ford cars and trucks from 1928 to 1931 will be on display.

More information about IMAD 2017 will be posted on our club’s website as plans are set.
